“Go Deacons!” has been our clarion call for 85 years.

But where and how should we go? The “Deacon Way” is our answer.

The “Deacon Way” was a phrase coined by our former, late Activities Director Randy Nelson early in the summer of 2014.

He had been moved by my two word commencement address (“Go Deacons!”) to the Class of 2014, done some reflection, and created the phrase “Deacon Way” to summarize the path of high expectations and goals for our Shanley students.

With his characteristic huge smile and big, booming voice, Randy gave me a June preview of the presentation he was preparing for the mandatory pre-season meetings with students and parents. He had even added some attempts at humor, and he was absolutely giddy with anticipation.

But Randy never gave that presentation. He was diagnosed with an aggressive cancer just before the August pre-season meetings and had begun grueling treatments, so our superintendent, Dr. Michael Smith, presented Randy’s message for the first “Deacon Way” session. Randy passed away on December 1, 2014, a few weeks after witnessing in person our girls’ volleyball team capture the 2014 state championship in Minot.

In his presentation, Randy defined the Deacon Way this way:

- Faith • Leadership • Character • Positive Role Model • Academics • Sportsmanship

Randy challenged our students to give their very best, called them to the path of virtue that lifts up others, and built all that on the foundation of faith. That’s the Deacon Way. That’s the opportunity we have at Shanley High School.

Five years later, we continue the tradition of the Deacon Way presentation and our high expectations. Our Shanley principal, Jon Spies, even added a new twist several years ago for our entire student body: “The Deacon Way every day.”

Thanks to the Shanley Athletic Club and to all our parents, coaches, and staff members who support our students in this way of excellence.

Thanks to Randy Nelson for making the Deacon Way so clear. May his memory be blessed, and may his soul and the souls of all the Faithful Departed rest in peace. AMEN.

Go Deacons!

Mike Hagstrom is in his fourth year of service as President of St. John Paul II Catholic Schools and Director of Catholic Schools for the Diocese of Fargo. Previously, he taught Religion at Shanley High School for 31 years. He earned his B.A. in English and M.A. in Systematic Theology from Saint John’s University, Collegeville, Minnesota. He and his wife, Shawn, have two children (Therese ’08 and Joseph ’16) and two grandchildren (James and Oliver, who have been enrolled in our “Little Deacons” preschool program the past two summers).

SHARI McTAGGART

ShanleyTV Advisor | Girls Golf Team Head Coach

If you attend Shanley athletic events you know that Mrs. Shari McTaggart can frequently be seen in attendance. As an advisor for Shanley TV she spends countless hours supporting the broadcast team in their preparation and many broadcasts throughout the year. In the fall 2019 season alone, the Shanley TV team covered 13 football, soccer, and volleyball games with another 19 broadcasts planned for basketball and hockey games this winter.

In addition to these responsibilities, Shari became the head coach for the girls golf team in fall 2019 after being an assistant for several years prior. The team had a highly successful season winning both the EDC regular season and tournament as well as finishing third at the state tournament. In this edition we take the opportunity to get to know Mrs. McTaggart a bit more.

Where did you grow up?

I grew up in Perham, MN.

What activities were you involved with in high school and college?

In high school I was involved in golf, volleyball, knowledge bowl, choir, band and pep band. In college I continued to play for pep bands, marching bands and a community band. I was also a member of the FMIS club in college. As a project my senior year the members of this club co-authored a computer applications textbook.

Where did you attend college?

I attended University of MN-Duluth and earned my

Bachelor's in Business and Finance. Since then I have also attended Concordia College in Moorhead to obtain my teaching license and most recently earned my Masters in Education focused on technology integration from St. Kate's in St. Paul, MN.

Where had you been prior to coming to Shanley in 2012?

My family moved to the area from Cando, ND. I taught in a very small school in Rock Lake which was a very unique experience. There were only 26 students K-12 and I would often only have 2 or 3 students in a class. Before Cando we lived in Crosby, MN and I taught Business Education in Isle, MN.

What interested you about teaching and coaching here at Shanley?

When we first moved to the area I didn't really know much about Shanley. I soon learned in my first year of teaching here that Shanley is rich in family values and traditions. My co-workers are like family. We strive for excellence both in the classroom and on the playing field. I appreciate the dedication shown by staff, students and parents to make our school and activities excellent.

What do you most enjoy about coaching/advising for student co-curricular activities?

My favorite part about coaching and advising activities is the opportunity to get to know students outside the classroom. You really get to see their personalities and how they interact with each other, something that isn't always as visible in the classroom.

How did you come to be the advisor for Shanley TV in the beginning of this endeavor at Shanley a few years back?

In 2014 I was approached by a student (Gabe Thomas) who had an idea about starting a club that would run equipment to live stream sporting events. He had spoken with administration and they were in favor of the idea. A requirement of any club is the need for an advisor. Gabe approached me and wanted to know if I would be interested. We decided to do a few test runs, all with Gabe's personal equipment, to see if it was feasible. We did a few basketball games that winter with just a skeleton crew—someone behind a camera and Gabe on his computer. During spring of 2015 we then met with administration and the Shanley Athletic Club to determine what equipment needs we had to really get things rolling. The SAC believed in and supported us, and we have grown considerably since that first broadcast. Now each broadcast consists of 2 students behind the mics, 2 camera angles, and 2 others on computer equipment to update scoring and to manage everything you see on air.

Do you have other interests/hobbies that occupy any remaining time when you aren't teaching, coaching or advising students?

I love the outdoors. During the summer months I will be camping, biking or hiking with my dogs if we aren't spending time at the lake or on our pontoon. During the winter months I enjoy cross country skiing or snowmobiling with my family. Family is the most important thing to me and I try to spend most of my time with my family.

TRE FORT

A 2015 graduate of Shanley High School, Tre Fort has gone on to enjoy a highly successful college career playing on the North Dakota State University football team. After redshirting his freshman year, Tre played in 56 games over four years for the Bison as a cornerback and on special teams. During those five years the team compiled a remarkable 80 wins against only 5 losses and won four national championships. Tre graduated with his bachelor degree from NDSU in December.

While at Shanley, Tre competed in both football and basketball. He was named to the all-state second team for football as a junior and first team as a senior. He had over 2,500 combined yards rushing and receiving in high school with an average of 8.0 yards per carry and 15.7 yards per reception.

DEVIN KLIEMAN

Devin Klieman, a 2016 graduate of Shanley High School, has gone from the sidelines of Sid Cichy Stadium as a Deacon football player to much larger venues. He was a student coach with the NDSU Bison for three years and this year has been with the Kansas State University Wildcats. As a student coach, his roles include running scout teams and assisting with on campus visits for recruiting. Devin is majoring in Business Management with aspirations to coach football at the college level.

While at Shanley, Devin participated in football and basketball. He was a 1st team all-region and 2nd team all-state football player. His favorite memory was his last high school football game in the Fargodome playing in front of family. As a Bison his most memorable experience was the 2017 national championship game against James Madison University.

About Wildcat Football, Devin says “It’s truly a blessing to be able to help and coach at the highest level of Power 5 football. The game is the same but some of the atmospheres you compete in make the game that much more fun. End of the day it’s awesome to be around the student athletes every day and help achieve goals that people didn’t even think was possible last season.”

His advice for students at Shanley is “with whatever interests you, work hard at it and just be around those people or jobs that are going to help you achieve your goals.”

THE ST. JOHN PAUL II CATHOLIC SCHOOLS CREST

THE FLAME

The Flame represents the Holy Spirit and the light of faith and knowledge. A lantern flame is also a traditional symbol of the Sisters of the Presentation of the Blessed Virgin Mary, founders of our Catholic schools.

THE SEQUELA CHRISTI

"Following Christ"

St. John Paul II tells us; *"at the heart of catechesis we find, in essence, a Person, the Person of Jesus of Nazareth, the only Son from the Father...full of grace and truth, who suffered and died for us and who now, after rising, is living with us forever. It is Jesus who is the way, and the truth, and the life, and Christian living consists in following Christ, the sequela Christi."*

THE CROSS

The Cross represents Christ. It is the focal point of our belief: Jesus died on the cross to redeem humanity. The cross calls us to offer our sufferings and sacrifices for God, family, and neighbor. At the foot of the cross is Mary.

THE "M"

St. John Paul II was well known for having a deep and abiding love for the Blessed Virgin Mary. His devotion to her was evident in all that he did: his teaching, his prayer life, even his papal motto and coat of arms were dedicated to the Blessed Mother. *Totus Tuus* - "I totally belong to you."

MISSION STATEMENT

To inspire excellence by teaching the total person and fostering the following of Christ, as taught by the Catholic Church.

THE SHIELD

THE DEACONS

Our nickname, "Deacons," was adopted in the fall of 1934 for the teams of Sacred Heart Academy, forerunner of Shanley High School, and has been used ever since.

It is especially fitting for Catholic schools, since it is derived from the Greek and literally means "servants" or "those who serve" (Acts 6). The Catechism of the Catholic Church tells us that Jesus "made Himself the 'Deacon' or servant of all" (CCC 1570).

In light of our schools' mission, identity, and nickname, we expect our students to excel in serving God and neighbor.

THE SHIELD

The Shanley Shield first appeared on football helmets in the fall of 1973. It was designed by Shanley art teacher Sr. Mary Virginia Deibert, PBVM with the help of her art students.

The shield signifies strength. The cross of Christ is centered on the shield as it is the center of our Catholic faith. The "S" represents "Shanley" high school, named for Bishop John Shanley (1852-1909), who served as first bishop of the Fargo Catholic Diocese.

Graduation from Shanley High School is the capstone for the St. John Paul II Catholic Schools student experience as Deacons.
